

# MUSCADINE WINE JELLY

USING HIGHLAND MANOR'S "BERRY BLISS"

SERVING:  
4 PEOPLE  
TOTAL TIME:  
LESS THAN 30 MIN

## INGREDIENTS

3 1/2 cups muscadine wine (Berry Bliss)  
1/2 cup bottled lemon juice  
1 package dry pectin (such as Sure-Jell)  
4 1/2 cups granulated sugar

## DIRECTIONS

Mix the wine and lemon juice in a large pot. Slowly add the pectin whisking constantly to avoid lumps. Bring the mixture to a rapid boil, whisking constantly.

Once boiling rapidly, slowly whisk in the sugar and continue whisking until sugar is dissolved. While whisking, bring the mixture back to a rolling boil. Allow mixture to boil for 1 minute as you stir.

Turn the burner off and ladle the jelly into sanitized half-pint jelly jars. Leave 1/4 inch headspace at the top of each jar. Wipe the rim of each jar with a damp cloth to remove any drips. Top each jar with a hot sterilized lid and ring. Process in a boiling water bath for 5 minutes. Allow jars to sit in canner with heat off for five minutes after processing time is complete. Remove jars to a towel to cool for 24 hours. Check seals, label, and store.
